

MASTER BUILDERS ASSOCIATION OF NEW SOUTH WALES

Serving our Members and the Industry since 1873

MASTER BUILDERS TRAINING 2008 CERTIFICATE IV IN BUILDING

ATTENTION: CARPENTERS, BRICKLAYERS, CIVIL ENGINEERS & ARCHITECTS

You now have the opportunity to become a Licensed Builder through the Master Builders Association

This course has 7 modules in total and can be completed in as little as 7 months if you start now!

Pre-requisites: Over 6 Years in your Trade
(this can include your apprenticeship time)

Worried that you will have to give up work during the week and have loss of income so that you can complete the course?

Not with the MBA Course – It's run on the Weekends!

We have MBA trainers who are experienced builders and they are still in the industry.

Interested??

Contact Geoff at the Master Builders Association immediately on 02 4962 4900 and don't miss out on this incredible opportunity!

The Master Builders Association is a not-for-profit organisation that has been assisting, servicing and supporting its Members in the building and construction industry for over 130 years. The Association needs and greatly appreciates your support to continue work on behalf of its Members.
