DO YOU FEEL YOUR CHANCE FOR BETTER TRAINING HAS PASSED YOU BY?
DO YOU STILL WANT SOME RECOGNITION FOR YOUR WORK EXPERIENCE?

**MOST IMPORTANT QUESTION - DO YOU STILL WANT THE CHANCE TO EARN
A BETTER SALARY AND DEVELOP A CAREER IN THE BUILDING INDUSTRY?**

From January 2007 the Australian Government has funded a programme called “Work Skills Vouchers”.

You are eligible for funding to complete **Certificate II in General Construction** if:

- ✓ You are aged 25 or older
- ✓ You never completed your Year 12 HSC Qualifications
- ✓ You have never obtained a Certificate II qualification

**If you comply with the above –
You are entitled to have up to \$3,000 paid on your behalf for your training**

Examples of Course Modules are:

- ✓ Interpreting plans and specifications
- ✓ Handling and use of construction materials and tools
- ✓ Basic levelling procedures
- ✓ Demolition, and
- ✓ Concrete work

Completion of the modules involves demonstrating your competency on the job.

Newcastle Master Builders is a Registered Training Organisation (RTO) with accreditation to conduct on the job assessments in partnership with your employer and to award your Certificate.

There are very few opportunities where the government funds your training and you get to obtain a qualification while currently working on the job! With a severe skills shortage developing in the building industry this is your chance to gain formal recognition and even obtain progress to a trade.

**Don't let this opportunity pass you by!
