**MASTER BUILDERS
NEWCASTLE**

2017 HOUSING SUBCONTRACTOR OF THE YEAR

JUDGING CRITERIA

- Quality of workmanship
- The ability for the subcontractor to meet the construction program
- Technical knowledge
- The ability to comply with WHS Regulations
- The ability to comply with Australian standards and regulations
- Communication skills
- Documentation standards
- The ability to comply with environmental regulations and management plan
- Coordination with other trades / team work
- Cost saving initiatives

The subcontractor will nominate themselves by selecting three of their projects, preferably with three different builders, which have been completed between May 2015 & May 2017. The builder who was responsible for each project will be contacted by the MBA to provide feedback based on the above criteria. The highest rated subcontractors will then become finalists.
